Dear President Professor MA Huaide,

On behalf of Case Western Reserve University and Case Western Reserve University School of Law, I am delighted to extend our heartfelt congratulation to you on celebrating the 70th Anniversary of China University of Political Science and Law.

Case Western Reserve University would like to thank China University of Political Science and Law for your long-standing partnership with our law school. Together we have created a student exchange program, a faculty exchange program, "3+1" Program, "4+1" Program, and "1+1+1" Program. Over 30 years, dozens of law students in these programs have graduated with degrees from both China University of Political Science and Law and Case Western Reserve University, and have gone on to become successful attorneys with international expertise.

China University of Political Science and Law has had long-standing achievement in higher education and reached a new milestone in its 70th anniversary.
