Professor MA Huaide  
President  
China University of Political Science and Law

Dear President MA,

We are pleased to offer our congratulations in celebration of the China University of Political Science and Law's 70th birthday. Achieving this milestone is a testament to the university's distinguished international reputation and academic prowess.

As a leader in cultivating legal talent and innovative legal education, CUPL should be proud of the more than 300,000 students who have graduated over the past seven decades. We commend and celebrate the university's recognition as China's top law degree program by ShanghaiRanking for three consecutive years, as well as the A+ rating by the China Discipline Assessment organized by the Ministry of Education in China. We applaud CUPL's vision for global education and its internationalization success with partnerships in 54 countries and regions.

The longstanding relationship between The Ohio State University Michael E. Moritz College of Law and CUPL has enabled us to attract your brightest students to complete our LLM program; deliver in-person and virtual lectures by our faculty; and host four exchange students, five visiting CUPL faculty, and eight visiting research scholars to our Columbus campus.

Ohio State and the Moritz College of Law are honored to be among your valued partners in teaching and research, and we look forward to continuing our collaborations for many years to come.

We wish you all the best as you celebrate this memorable occasion.

Sincerely,

Lincoln L. Davies  
Dean and Frank R. Strong Chair in Law  
Moritz College of Law
