Coimbra, January 21st 2022

Dear Rector Dr. Ma Huaide,

On behalf of the University of Coimbra, I would like to extend warm congratulations to China University of Political Science and Law on the seventieth anniversary of the University's founding.

Since October 2018 we have been delighted to collaborate with your university – China's flagship of law studies and “the cradle of PRC judges and prosecutors”. We are also working closely on the platform “Sino-Lusophone Academy”, a pioneering project of our two world-class institutions to empower Luso-Chinese cultural and academic dialogues. I sincerely hope together we will continue to deliver quality multi-disciplinary educational programmes to our students, as well as to a wider academic community.

In spite of the harsh setbacks brought on by the global pandemic, I firmly believe we should continue to strengthen our communication and cooperation in building a greener world of shared prosperity. Happy 70th anniversary, China University of Political Science and Law. We from the University of Coimbra – an institution with 732 years of memory and the Alma-Mater of all the universities of the Lusophone world – stand proudly with you and let us join hands in creating a better future.

Amílcar Falcão

Rector of the University of Coimbra
